

Hodges Joseph & Abigail in Honduras

Oct. 2022

Dear Friends,

In October God helped us witness to 17 folks, of which 7 trusted in Jesus.

Out on door-to-door evangelism, **Doña María, age 73, got saved** after hearing the gospel! (right picture) She is now coming to church, so pray that she will get baptized soon. **Victor, Roger, Aracely, Diego, and two other children also got saved** after Bible class in our Christian school. We also witnessed to **Kelvin, Santos, Baruchan, Nicole, Ronald, Olvin, Reina, Guillermo, Juan José, and Don Luis** this month. Pray for their salvation!

Addy, age 13, (right picture) started coming to church from out route. He got saved and baptized, and immediately started begging to help with soul-winning and bus routes, both of which he is learning to do with us each week now as we all go out together door-to-door.

We took our Bible college students (left picture) to the week-long **Fires of Evangelism Conference** about 7 hours away on the north coast. Over 400 people attended each night, and over 20 young people surrendered to full time ministry.

Pray for **Kelvin, Santos, Baruchan, and Nicole** on our bus route to be saved! (below picture)

Abbi and I taught the 7-10 year old children's second hour service this month, and we **averaged over 60 kids** in this age group each week! (above picture)

Thank you for your prayers! We love you!
