Jan. 2025

Dear Friends and Church Family,

Over **270 teen campers** from churches all across Honduras and El Salvador came to our 2025 youth camp, which we host on our property, for ages 12-24. **Five teens were saved**, and many decisions were made. Several pastors called me the following week, **shocked at the zeal** that their teens returned with to sign up for serving ministries in their local churches.

Just from our own church, **almost 50 of our teens got permission to attend camp**, and they did phenomenal in the singing, instrumental, drama, art, teaching, and preaching competitions. Around **10 new teens have joined serving ministries** in our own church resulting from camp.

I was blessed to preach twice during camp, on the topics of Holiness and Full-time Ministry for World Evangelism in our generation.

One young man, **Cristhian, was called to ministry** during camp and immediately enrolled in our Bible college the following week, along with two other new students, Josue and Nahomy, **totaling 3 new students**. Josue is the younger brother of David, who died in an accident in our college 5 years ago. He has picked up the mantle that his brother left.

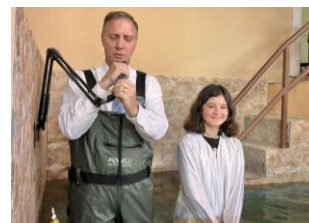

Our little Tommy loves door-to-door soul-winning with us, mainly because he wants to be outdoors every waking moment. **He can walk upright** as long as we hold his hand, and he opens so many doors for witnessing to both kids and adults.

Two girls that Abbi and I pick up on the bus weekly, **Isis and Stacey**, **got baptized**, ages 15 and 13. Pray for their discipleship.

Pray for the salvation of **Mauricio, Karen, Ruben, Doña Carmen, another Carmen, Mirian, and Luisa**, whom we witnessed to this month. Also pray that Barinia, who got saved last year, will be baptized this year.

A fellow Baptist church in our capital, Tegucigalpa, invited me to preach a **two-day Enrichment Conference** in the city. **Fun fact**: Their Pastor, Carlos Ochoa, was my Spanish teacher from 6th-10th grade in school.

Thank you again for your prayers and support this month!
