Dear Friends and Church Family,

Thank you for your support this year. Your partnership with us is invaluable, and we are strengthened each month by your fervent praying and your generous giving.

At our church plant in the capital city an hour away, I preached a topical sermon on the Bible doctrine of "Christology." During the invitation, three adult men, **Wilson, Roberto, and Franklin, accepted Christ as their Savior. All three of them got baptized the following Sunday!** These three men are in an alcohol recovery program across the street. They came looking for **reformation**, but better yet, they found **redemption**. Pray for their sanctification, discipleship, and restored lives.

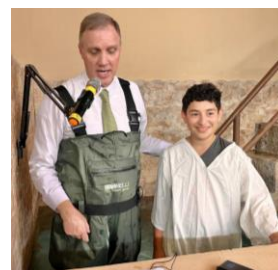

Two of our Bible college students, Marcos and Alfryd, **graduated and got married**. They have joined our staff and oversee our Children's Home.

Our Children's Home has had trials followed by triumphs. A few days before the wedding, a faulty electrical appliance **caught fire and burned one room completely**, and charred two other rooms. No one was home at the time, and thankfully no one was hurt. A couple of our different supporting churches **completely covered our repair costs**, and we thank them so much and praise God for their generosity! This is a triumph!

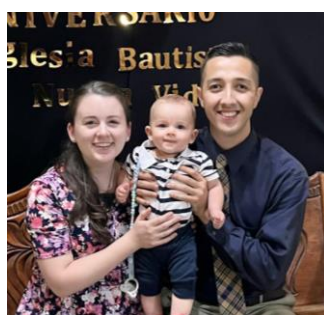

Also, two boys from our bus route, **Angel and Andres**, ages 12 and 13, **entered our Children's Home**. They both just got saved and baptized, and are now helping as bus workers, bringing others to church the same way that they were brought. Another triumph...

Pray for the salvation of **Mariano, Brayan, Lesly, José, Doris, Samuel, Edwin, Samanta, Jorge, Maura, Dennis, and Melvin**, whom we witnessed to this month on door-to-door outreach.

Abbi and Thomas are my favorite visitation buddies, and we enjoy the beautiful countryside that we do outreach at each week.

*Thank you again for
your prayers and support this month!*

The Hodges
