

# Hodges *Joseph & Abigail* in Honduras

June 2022

Dear Friends,

**BIG NEWS! Abbi graduated from language school!** Hurray! Using Spanish fluently, she teaches Sunday school, speaks at ladies' events, and witnesses to adults and children one-on-one during our soul-winning! She is the most amazing wife and friend ever!

We were able to **personally lead 11 souls to Jesus this month!** **Elvin, Daniel, Marelin, Jessica, Elvia, Wendy, and Guadalupe,** all adults and teens, **got saved** with Abbi and I during our weekly soul-winning. **Jefferson,** age 13, in my Sunday school class **got saved** on the bus as we drove home after church. **Three other little girls** also **got saved** on our bus after church as well the next Sunday. Pray for them to be baptized too!

*Elvia, Guadalupe, Abbi, & Wendy*

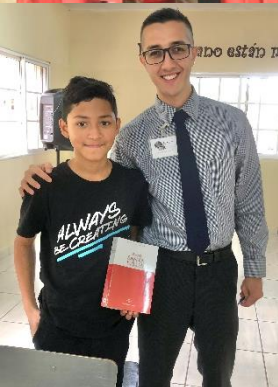

We also had **7 Bible college students graduate** this semester (3 men and 4 gals)! One is already pastoring, and the other six are all serving in full-time ministry around the country! Pray for many more students this coming semester!

Last month we sent a Honduran couple to Haiti. This month we had a send-off to Mozambique, Africa, for my own sister and her husband, Luke & Celina Nalty. Celina grew up in Honduras, and Luke taught in our Christian school. Mozambique is an open, Muslim country. **I highly recommend supporting them as they raise support now** in the US and plan to move to Mozambique in 2023! Contact them at [nalty.missions@gmail.com](mailto:nalty.missions@gmail.com) or at (651) 888-0696!

**David, age 12,** in my Sunday school class won his first Bible!

One of our school teachers and a Bible college grad **got married at our church!** We praise the Lord for another godly family to show Christ! **Big prayer request:** Pray for more teachers for our English Christian School here! We are super short on teachers! It is a paid position, and since the school is all English, no Spanish knowledge is required. Please help us spread the word.

Thank you for praying!
