

Hodges Joseph & Abigail Sept. 2022 in Honduras

Dear Friends,

September has been a fruitful month, showing lots of fruit among young kids and teens.

I was able to lead Zoe, Adriana, and Valeria to Christ through our bilingual school one day after Bible class! Zoe then got baptized, and her whole Catholic family miraculously came to our church for the first time to watch, and they all heard the gospel. Witnessing out on the streets, we also spoke with Santos, Miriam, Abby, and Mortimero. Pray for their salvation.

Abbi's kínder class is going well! Her class of 42 has been divided in half, helping relieve her load. Please pray for more English-speaking teachers for this great ministry!

Bible club in Ojojona (pictured below) went well. Leo, age 13, also in my Sunday school class, taught a Bible lesson to kids for the second time this month, and did a great job! Pray he will be a future pastor or missionary! Below is a picture of Abbi doing games and Leo teaching.

Youth group (below) this month went well, averaging about 50 teens. About half of them are saved, baptized, and serving as Sunday school helpers of bus workers.

On our church's Children's Day (below left picture), we had 142 people on our 67-passenger bus from the Ojojona bus route, and 635 people in church, our highest record ever in church! Over 300 were kids.

Saúl, age 13, (above picture) in my Sunday school class, got saved, baptized, and is now training to be a bus worker and soul-winner.

Jared, age 12, (above picture) in my Sunday school class, also got baptized, and is now faithfully accompanying us on Sunday mornings, learning the in's and out's of bus route ministry.

Eduardo and Noel from my class (above right picture) also won their first Bibles this month!

Thank you for your prayers! We love you!
