

# Joseph & Abbi Hodges

## January 2022 in Honduras

Dear Friends,

God is working! We saw several folks saved in January. **Abbi was able to lead Anahi, a 9 year old girl, to the Lord in Spanish!** Also, **Jonatan, a 15 year old boy** on our bus route, got saved with me, and came to church the next day. **Ángel, a 17 year old boy**, also got saved on our bus route recently. Pray for the salvation of **Alesandro, Jimmy, Liset, Miriam, Humberto and 5 other adults** in our area whom we were able to witness to during our soul-winning times. Though they were security guards, street vendors, taxi drivers, or people waiting for the bus, all of them were friendly, all of them had plenty of time to talk, and all of them have one common need, and that is Jesus.

A highlight this month was to see **Rodrigo** get baptized (left side). He is a **13 year old boy from our bus route**, who is also in my Sunday School class. He has an unusual hunger for the things of God, and **brings 4-5 friends each week** from school.

We've been able to get several new people from our bus route to come to church, including **three whole new families, about six new teen boys, and about a dozen new kids**. We average about 75 on our bus route each week, and our church has 3 more bus routes averaging about the same.

We had our yearly teen camp at our church, and though we had 120 campers signed up to come, **230 campers showed up** from all across Honduras! Ranging from ages 12-24, these 230 campers had loads of fun, heard convicting preaching, and made life-changing decisions, several of which included surrendering to full-time ministry and enrolling in our Bible college.

**Free-haircut Sunday every month!**

We have 22 students total in our Bible College this semester, and **four new students!** I am teaching 4 of their 9 classes every day here at the college. They are eagerly preparing for full-time ministry as pastors and missionaries.

Though we cannot control how many people get saved, we can control how many people we reach. This is our church's 2021 total outreach report. To God be the glory!

- 25,000+ gospel tracts personally delivered
- 4,000+ New Testaments personally delivered
- 350+ professions of faith
- 300+ baptisms

***Kennsy, one of our seminary girls, just finished Bible College, and is now serving in full-time ministry at a local church!***
