

Hodges Joseph & Abigail

March. 2024 in Honduras

Dear Friends and Church Family,

March was a blessing! **I baptized Sharon**, who trusted Christ for salvation shortly after entering our **Children's Home**.

We had a **two-day Enrichment Conference** for English-speaking missionaries on our property with Dr. Bill and Marcy Patterson from Texas. Over 40 Baptist missionaries were greatly refreshed.

Over 100 fathers and grandfathers heard the gospel at our Christian school's Father's Day presentation, (*right picture*) which Hondurans celebrate in March.

Abbi and I have a new family of **seven children and teens** (*left picture*) riding our bus now. They haven't missed in over 5 Sundays. Their mom lives in Spain, and their dad left them. Pray for their salvation and baptism.

Leticia (*right picture*) has come to church without fail for over a year. She would put off salvation each week when we talked with her, but finally on the last night of our yearly Bible conference, **Leticia from our route got saved!** Her 10 year-old boy Jonny is saved and baptized and goes soul-winning with us weekly.

Over 100 Ladies came from all regions of Honduras for our annual Ladies Conference (right picture)

A highlight this month was our travel with my parents on a **three-week trip to Singapore** in southeast Asia, where my mother is from. **My Chinese grandparents**, who are born-again believers, **met both Abbi and baby Thomas for the first time**. We were so blessed to also see missionaries Luke and Celina Nalty, my sister and brother-in-law, who also flew in from Mozambique, Africa, for our big family reunion. We made some special memories on this trip that we will never forget.

*Thank you for
your prayers and support this month!*
