

Hodges *Joseph & Abigail* March 2022 in Honduras

Dear Friends,

We gratefully thank everyone that participated in our 2022 Easter Offering. The Lord worked through so many churches and individuals, and **\$5,381 dollars were given** as an investment into the CAIB Church Development Foundation for Central America. God is good and always provides for His work, and we wish an hundredfold blessing to all who gave.

Abbi's Sunday school class is growing! She averages 15-20 each week. Abbi is such a help to me in our ministry together. She does so much, and I thank God for her! I found a new nickname for her, **my Swiss Army Wife!**

We were able to see **Sarai, Jensel, Yomara, and Maria get saved** while soul-winning on our bus route. Pray that they will come to church, get baptized, and be disciples. Pray for **Nolvia and Delmi**, two mothers whom we witnessed to, but aren't saved yet.

We had **97 on our bus** one Sunday, which is our highest number yet for the Ojojona route.

Over **60 teens have been coming** regularly to youth group, and over a dozen are being trained right now as bus workers, Sunday school teachers, and soul-winners.

Bethany Baptist Church, the church plant that we are helping with in Tegucigalpa, is going well. When it is our turn to go, we always take a van-full of teens and our college students, and we have them singing, teaching children, etc. It is fun to serve the Lord with others, and we want to train our youth to serve and be experienced in doing ministry.

Pray that we will be able to train up **a good pastor to take over this work!**

This month we had a father-son retreat with over 70 attendees, a wedding, and Chick Sunday. We bought **300 baby chicks** to give all the kids that would come that Sunday, and we had over 330 kids show up!
