Dear Friends and Church Family,

We took a **three-week missions trip to Mozambique, Africa**, where my sister and her husband, Luke and Celina Nalty, just started their first church. They're averaging 70 people and have baptized a couple dozen new believers already. Mozambique's Portuguese is similar to Spanish, so we did street evangelism and taught children's church, and I preached twice at church through Luke's translating.

We also did some small construction projects on their rented building. **We're sending one of our Honduran Bible college grads over to Mozambique** this fall to help this new church plant.

During our summer travels, we **visited two dear churches in the USA**. Pastor Joel Porcher with Anchor Baptist Church in Millersville, MD, invited us up for the week to help with kids VBS and to preach daily at their Teen Rally. Anchor has faithfully and generously supported our ministry for five years.

I was able to lead JT, age 14, to Christ at the Teen Rally in MD. He was a Catholic but his friend brought him to church where he heard and understood the gospel.

Pastor Dave Teis with Liberty Baptist Church in Las Vegas, NV, also invited us to their Missions Conference, where they showered us with gifts, encouragement, and prayer! We're so thankful that they have also partnered with us in helping reach the Honduran people!

Pray for the salvation of **Maria from our plane ride, Melvin the taxi driver, Emilia, Rudy, Loordes, Julia, and Edwin**, whom we also witnessed to this month.

I was blessed to perform my very first wedding as an ordained Baptist minister for Robbie and Reveca Small. Robbie and I went to college together, and his wife graduated from our Bible college here. They're now overseeing our Girl's Home.

Thank you again for your prayers and support this month!

Finally, **pray for new teachers** for our English Christian school. We're losing four of our nine English teachers, who teach around 235 students. We're thankful for those who have committed to this two-year missionary program. A great opportunity to make a difference is at your doorstep!
