April 2024

Dear Friends and Church Family,

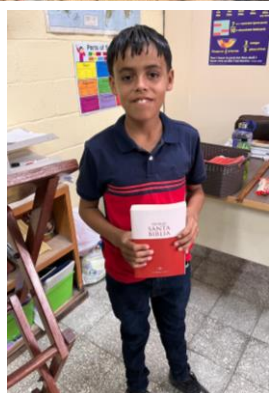

April was a blessing! **Josue, age 20, from our bus route, got saved and baptized!** Also two girls from our Children's Home got saved and baptized.

Our bus has been averaging **80 people weekly**, and below is a picture of our group on a regular Sunday.

During door-to-door evangelism, we witnessed to **Barinia, a middle-aged Catholic woman**. After sharing the good news of salvation by faith with her, she replied in a matter-of-fact way, "I've never heard what you just explained to me before." When I asked if she wished to repent of her sin, and to repent of trusting in her works for salvation, and to put her faith in Christ as her sufficient Savior, she excitedly replied, "Yes, of course!" Please pray that this new believer will grow as she should in Christ.

Pray for the salvation of **Juan Carlos, Sebastian, Antonio, Daniel, Jairo, and an Indian gentleman**, all of whom we witnessed to this month.

Little Tommy loves riding our bus on Sundays!

Nathanael in my Sunday School class won his very first Bible.

We're thankful to have undertaken a big work day to do some much-needed repairs at our new Children's Home property. Over 20 children and teens are living in the home, and a couple new ones just arrived. We really need help in both our Children's Home and Christian school. If you know anyone that's capable and willing to come down, please contact us.

Our Bible college has **13 on-campus students** preparing for full-time ministry, and I teach classes on Mondays, Wednesdays, and Fridays.

Abbi teaches the girls piano on Wednesdays. Less than 1% of all Christian youth in Honduras are going to Bible college. Ours is currently the biggest Baptist college in the country. My dream is to see our college reach 40 students in the next 5 years.

Thank you for your prayers and support this month!
