

Hodges Joseph & Abigail Nov. 2022 in Honduras

Dear Friends,

In November, the Lord used us verbally witness to 21 folks, of which 3 trusted in Jesus.

Out on door-to-door evangelism, **Naomi ~17, Estefani ~12, and Oscar, age ~22,** were born into God's family after hearing the gospel! Naomi and Estefani (right first pic) were at the park, and Oscar was actually just standing right in front of us as soon as we got off the bus. I was ready to dash off down a street, but Abbi saw him and told me that we should talk to him.

He was very distressed and teary eyed as he told us his family problems, largely due to his struggle with hate and anger towards his father who abandoned him. But that night he was adopted by a faithful heavenly Father who enables us to forgive. We also witnessed to **Carolina, Karen, Rigoberto, Don Arturo, Don Andres, Kevin, Alex, Noel, Edwin, Don Luis, Jessica, Henry, Carlos, Kevin #2, Don Celestino, Osmin, "Elder" Flake, "Elder" Wallace** (two American Mormons) this month. Pray for their salvation!

Our Bible college achieved another super semester. They are learning guitar playing, preaching, driving classes, Bible classes, and how to work and sweat in a ministry. The young people training with get to use their learned skills in on our weekly bus routes and evangelism. It's loads of fun! **My prayer lately is for 5 new guys and 5 new girls for the new semester. Would pray for that too with me?** Bible college is still a very new concept among Honduran Christians.

Abbi completed another kindergarten semester with over 20 students! We also celebrated a fun Thanksgiving with all the 215 school students.

Thanksgiving isn't a Honduran holiday, but we've introduced it to the people of our ministry, and they love it!

Youth group meeting this month was fantastic. Around 60 teens between the ages of 12-18 eagerly joined in for the games, songs, and preaching. We practiced a lot of sword drills, a.k.a. Bible verse look-up, because many of them don't yet know all the books of the Bible.

Thank you for your prayers! We love you!
