

Hodges Joseph & Abigail in Honduras

July 2023

Dear Friends and Church Family,

July was a ministry-filled month! At an afternoon Bible Club, while praying with Abbi, **Jonathan and Melissa trusted Christ for salvation.** Pray that they'll be baptized soon. Abbi's pregnancy is going well; her due date is November.

Also pray for the salvation of **Carla, Diana, Paula, Paula #2 Antonio, Jonathan, Noel, Nancy, Rosario, Gladys, and Juan Carlos,** whom Abbi and I witnessed to this month.

On the bus ride home one Sunday, **Jorje, age 10,** (pictured below) had a handful of over 50 tracts. "What are you doing with those?" I asked. He replied, "I'm going to pass them all out this week!" Praise God for compassionate children.

Johnny, age 10, (pictured right) started riding our bus a few weeks ago. He got saved and baptized within 3 weeks of coming, and the first question he asked me when I saw him afterwards was, "Now how can I start serving the church? What is my ministry going to be?" He is now being trained on how to lead a soul to Christ.

Over 30 teens came to youth group. I preached (pictured above right) on the need for full-time ministry laborers, and how **every person is called to either be a pastor, or to help a pastor.** Many teens confirmed decisions for full-time ministry.

Our church plant in the capital city is going well. A teen boy named Lean got saved with one of our American school teachers, and will be baptized soon.

We continue to train the 9 young men in our Bible college, and who knows if God might call one of them as the next pastor. They all take turns helping with the weekly services.

*Thank you for
your prayers and support
this month!*

*****Also, please PRAY for Moises Zelaya, one of our assistant pastors. He has been having problems with his blood platelets, and doctors are thinking it could be cancer. PLEASE pray for a miracle and for full healing and recovery.*****
