## February 2023 in Honduras

Dear Friends and Church Family,

Several new kids started coming to our church, and through them, **Teresita**, their mother (pictured next to Abbi) visited our church and got saved! And two weeks later through Teresita, we visited her home and led her husband **Cruz** to the Lord! Pray for Cruz who is a severe alcoholic. His drinking will kill him soon if he doesn't stop, and it has left his family very impoverished and turmoiled.

It was a thrill for me to baptize **Jefferson, age 14, and Oscar, age 15**, this month. Jefferson came from my Sunday school class, and Oscar is one of my students in Bible class at our bilingual Christian school. Oscar is now serving as a bus route worker. Pray for these two boys to grow spiritually.

Two teen girls, **Dulce and Sofia**, rode our bus for the first time on Sunday, and Dulce (pictured next to Abbi) trusted Jesus as her Savior! Also pray for the salvation of **Nelson, Dina, Joseph, Dayana, Wendy, George, and Doña Paula**, whom Abbi and I witnessed to during outreach.

We attended a conference for English speaking missionaries in northern Honduras, where Pastor Jeff Redlin and Pastor Tim Zacharias from the Campus Church in Pensacola FL preached very uplifting messages in our heart language. It was a great time of fellowship!

Several new kids came to hear about Jesus on **Human Piñata Sunday**, where a few of us adults either glued candy onto our clothing, or stuffed candy into trash bags wrapped around our body. The kids had way too much fun ripping us apart as they chased the "human piñatas" all over the church property.

**Praise:** For our faithful supporters in the US who make this ministry possible!

**Prayer:** Finding another bus, (we already have the cash) for 5 new guys and 5 new girls in our Bible college, and for the 18 students we have currently.

*Thank you for your prayers!  
We love you!*
