

Hodges Joseph & Abigail in Honduras

July 2022

Dear Friends,

We had seven baptisms on a single service this month, and **nine baptisms total**- 5 adults, 3 teens, and a child!

We were able to lead **Adolfo** to Christ in our downtown park. He is currently a recovering alcoholic. Pray for **Mario, Roberto, and Jorge**, whom we witnessed to as well, but aren't saved yet.

Two public schools very near us allowed us to bus all their students directly to our church for a fun day of VBS. We had over 100 students for the first VBS, and **over 20 students got saved!** We had over 200 students during the second VBS, and **over 40 students got saved**, and **the school director got saved too!** One of our assistant pastors led him to the Lord, and said the director had tears of joy, and really wants his whole family to be saved too!

Northstone Baptist Church from Pensacola FL, with Pastor James Johnshon and 12 other team members, helped us execute the VBS through teaching Creation Science, doing arts and crafts, and playing games. What was amazing was that most of the teaching, singing, preaching, etc, **was done by the teenagers!** It is encouraging to see God raising up young, willing servants!

Thank you for supporting us!
